Re: Notice of Essential Employee for Utility/Construction Services

To Whom it May Concern

This is letter certifies that I am an employee of an essential business (Northeast Safety, Inc.)

As an essential Employee, I support the communications, natural gas, and construction industries and am required to travel to and from various work locations to support these crews as well as to and from facilities owned or operated by the applicable Communications/Gas Utilities/Construction companies, as well as any necessary supplier, vendor or third-party that provides essential support for the operation and maintenance of the Communications/Gas Utilities/Construction companies, facilities, which are identified by the U.S. Department of Homeland Security (DHS) as "Essential Infrastructure."

For any questions or verification, please contact our office at (207) 541-9299.

Sincerely,

Timothy Landry
President
Northeast Safety, Inc.
